Lynn M. Broussard was born on August 25, 1960 in Abbeville, and he was a resident of Maurice. Lynn worked as an electrician for the Vermilion parish school board for 20 years, and was an electrical instructor at Southwest Louisiana Community College. After retiring, he opened Lynn Broussard Photography in Maurice, for which he was probably best known. Lynn was also a customer relationship manager for Albums, Inc., a photo album company that allowed him to travel and make many lifelong friends outside of the area. No one was a stranger to him. Lynn enjoyed and operated the photography business until his passing, and continued to do freelance electrical work as well. He proudly described himself as a farmer, and enjoyed raising and selling okra. An avid hunter, he loved spending time in nature, where he mostly closely felt the presence of God. He attended the Abbeville Men's Silent Retreat at Grand Coteau for many years. A boisterous personality, Lynn loved laughter, fun, and the company of great friends. He was an excellent cook who enjoyed entertaining and preparing meals for his loved ones. He had an appreciation for history, and collected various antique articles. Lynn loved music as well, and enjoyed listening to a carefully cultivated, unique and diverse playlist of his personal favorites. To those who knew him, Lynn's musical taste was well-defined. He will be dearly missed by all who knew him.

Lynn is survived by his wife, Ann Lori Langlinais Broussard; her children, Seth Bourque (Alicia), Cole Bourque (Peggy) and Alison Bourque; his grandchildren, Kamren and Katelyn Ernest, Asher and David Jennings, and Maverick Bourque; his siblings, Jackie Clay (Michael), Lynette Breaux (Sedric), and Richard Broussard; his nieces and nephews, Meagen Clay (Jake), Trevor Clay, Britaney Fontenot (Mark), Morgan Hebert (Trey), Seth Broussard, Caroline Clay, Ella, Meredith and William Fontenot, and Elyse Hebert.

He was preceded in death by his parents, Hilda and Claude Broussard.

Danny Broussard, a Meaux High graduate, stands by the two state basketball trophies his STM basketball teams have won. The first one (right) was in 1986 and last week his team won another trophy (left).slideshow LAFAYETTE — St. Thomas More’s 2013 Class 4A State Basketball title, as is the case with its 1986 championship, has roots in Vermilion Parish.

Those roots, of course, come from the Cougars head coach Danny Broussard, a Leroy native. The Cougars helped Broussard capture his second title last Friday with a victory over Northside.

“I never forget where I came from,” Broussard said Tuesday morning. “I’m a Vermilion Parish boy.

“I learned a lot of basketball in Vermilion Parish.”

Broussard remembers fondly some of the parish’s hoops history, including Joe Dell Duhon.

“He might be the greatest basketball player to come out of Vermilion Parish,” Broussard said. “I know some might dispute that, but if there is a Top-10 list, Joe Dell is on that list.

“Joe Dell coached me in seventh and eighth grade and that is kind where it started.”

Broussard, who graduated from Meaux High School in ‘77, played for his brother Rickey Broussard, himself a former Meaux High player, for his first two years of high school. Broussard finished his junior and senior years playing for coach Frank Hardy.

“I learned a lot from them,” Broussard said. “Rickey, who I learned about 90 percent of what I know about basketball from, was a hard-nosed guy, a disciplinarian. Coach Hardy was a players’ coach. He kind of let us do our thing. He would let us call timeouts if we felt one was needed. I feel really blessed to have that Vermilion Parish tie because Meaux and Maurice were a hotbed for basketball.

“I’m proud to be from there and that I got my initial training there.”

Vermilion Parish taught Broussard much more than basketball, though. That is namely what he learned from his parents Ervy and Florbra Broussard, whose son Brent won a state baseball title at North Vermilion.

“We were born and raised in the little community of Leroy,” Broussard said proudly. “I learned a lot from my parents. It’s funny, though, because my dad never played a lick of sports in his life. At a young age he helped his parents farm cotton.

“He was always, always so supportive of us playing sports.”

Broussard remembers helping his father build a fence during one basketball season. The young Broussard said he was in that process for the long haul.

“We were struggling and digging holes,” Broussard said. “My dad stops and looks at his watch. He says, ‘Don’t you have practice?’ I told him I could miss it to finish helping him. I knew he needed my help, I could tell. He told me to go clean up and go to practice.

“That’s the kind of guy he was. He wanted us to do the right things.”

Ervy Broussard passed away in October of 1985. Danny Broussard won his first state title later that season.

“That always hit me hard,” Broussard said of winning his first title a few months after losing his father. “He was a carpenter. His last job was remolding St. John’s Cathedral. He would always brag to his co-workers and tell them that his son was going to win a state championship one day. I took it hard that he wasn’t there when I got it. I know he was up there watching me.

“Now 27 years later I got my second one and I know he is up there smiling.”

Broussard has two state basketball titles, but it was baseball that brought him his first taste of winning it all.

“My first state title in anything was coaching Babe Ruth baseball in 1980 in Abbeville,” Broussard said. “I coached with Tommy Picard, Tommy Frederick and Rickey Cormier. I was really proud of that. I played Babe Ruth in Abbeville all the way through growing up. We would always lose to New Orleans. Sure enough that’s who we beat.

“That was my first state championship ever and it was exciting.”

Broussard also credits Picard for contributions to his coaching style.

“He demanded a lot of his players,” Broussard said. “At the same time he knew how to get players to play for him. He would always take his teams to Houston to watch an Astros game after the season was over. I learned a lot from him about how to treat kids.

“If you treat them right they will play hard for you.”

That has worked in Broussard’s 30 years at STM. That time includes 827 wins, two state titles, 16 district winners, three state runners-up and eight Top 28 appearances. Creating those results does not come without hard work.

“That’s caused me to spend time away from my family,” Broussard said.

There is a silver lining to that, however. Broussard’s wife, Dena Landry Broussard of Abbeville, and their children, Lacey, 27, Paige, 24, and Chase, 19, have been there through all of it. In fact, Chase played basketball for his father.

“They’re one of the most supportive families I have ever seen,” Broussard said. “My family comes to the games and they will continue to give their support.

“It’s really amazing.”

As far as Broussard is concerned, there will be many years to come to continue that support.

“Everybody asks me when I think I will retire,” Broussard said. “I have always been a goal setter. When I first got here I set a goal to win 500 games. When 500 passed I set a goal of 1,000. I’m not there yet. I want to try to stick around to see that. I don’t think I could sit around and do nothing, anyway.

“I’ve still got the enthusiasm and I’ve still got the fire.

It’s a fire that started years ago in Vermilion Parish.

“I’m proud of Vermilion Parish,” Broussard said. “I’m proud of what Kim Guidry has done at Vermilion Catholic. We started about the same time and I’m glad that we both got our second title in the same year. I’m thankful to all the coaches from Vermilion Parish who helped me along the way.
