Chapter 10

Introduction to Oral Histories - Dr. Ed Goellner - Former EDCI Faculty Member and Chair of Oral Histories Committee.

Transcript

Dr. Ed Goellner – Retired USL Professor: I'm Dr. Ed Goellner from the University of Southwestern Louisiana College of Education.

What follows is a brief oral history of the College of Education at the University of Southwestern Louisiana.

The people you will see and hear are eyewitnesses and participants in the actual history of the University.

Some date from the time they were students at the University in the 1930s, while others describe many updated and new programs that have been introduced as time dictated.

Our purpose is to bring the oral history of the College of Education up to the present time -- 1998.

While viewing this disk, may you remember many fond memories of your days at the University of Southwestern Louisiana.
