Year 1965 Marks 200th Anniversary Of Exiled Acadians In

The story of the French Canadian
Acadians, expelled from
Canada in 1755, has been
related in many books and
papers. The story of their
struggle for survival and
freedom is one of the
most inspiring in the history
of the human race. The
Acadians, who lived in the
area that is now Louisiana,
were forced to leave their
homeland when the British
took control of Canada. They
were taken to Nova Scotia,
where they were forced to
work as laborers on the
colonial plantations.

Although the story is well
known, it is one
of the lesser-known.
