Annual Report
2013 - 2014
We engage individuals and families who are experiencing poverty, hunger, and homelessness by offering food, showers, and access to wash their clothes. At Stella Marie Center we use an assessment tool to help us identify people who are most vulnerable and in critical need of housing.

144,764
Meals shared with the hungry.

4,038
Showers provided through Stella Marie Center for individuals experiencing homelessness and living on the streets.

1,792
Loads of laundry washed at Stella Marie Center by individuals experiencing homelessness and living on the streets.

370
Individuals assessed, helping us identify people who are most vulnerable and in critical need of housing.

42,486
Hours volunteered throughout our programs

According to the BBB Wise Giving Alliance a non-profit should spend at least 65% of their expenses on program activities, with the remaining funds going to administrative and fundraising expenses and spend no more than 35% of related contributions on fundraising.

Opus Christi Magnum, Latin for "The Great Work of Christ," is the primary annual fundraiser for Catholic Services of Acadiana and is a distinctly separate campaign from the annual Bishop's Services Appeal. OCM consists of several small events each year and not only serves as a fundraiser but also an opportunity for us to share our work and educate the community about poverty, hunger and homelessness in our area. Accounting for sixteen (16) percent of our annual budget, the funds donated through this fundraiser are essential for our programs to operate. On average ninety-seven (97) cents of every dollar donated to Opus Christi Magnum directly benefits individuals and families experiencing poverty, hunger, and homelessness in Acadiana, making OCM apacesetter in stewardship.

"The programs at Catholic Services of Acadiana (CSA) are examples of compassion and are imbedded in areas where suffering is most acute. The funds raised through Opus Christi Magnum allow CSA to practice subsidiarity which is taking care of the needs as close as possible to the origin of the need."
