The famed spiral stairway of

BELOW, the crosswise designed rose-

bed of Nenene Briggs Ken-ner.

The second bedroom on the
desk side will be a temporary dining

room, with the former nursery

back it of 8 becoming a kitchen.

The master suite has many

pieces from the Kenner collec-
tion, including a table on which

Belle Helene Artworks

Dedicated for its
to mouth of the Mississippi

river. The residence was

undergoing restoration. The

residence was

built in 1841 by Duncan F. Kenner.
