SOUTH WEST LOUISIANA
CREOLE NATURE TRAIL LEGEND

The Creole Nature Trail is a 269-mile scenic drive from Lake Charles to the Gulf of Mexico. This nature trail consists of two routes. The East Route begins in Lake Charles and follows the Intracoastal Canal west through Cameron, Hackberry, and Sulphur to the Gulf of Mexico. The West Route begins in Lake Charles and follows the Creole Nature Trail through Hackberry, Holly Beach, and Grand Chenier to the Gulf of Mexico. The trail is marked by a blue diamond with a white number 269 on it. The trail is open to the public 24 hours a day, seven days a week. The trail is maintained by the Louisiana Department of Wildlife and Fisheries. The Creole Nature Trail is a great way to see the beauty of southern Louisiana and to experience the natural wonders of the Gulf Coast.

The Creole Nature Trail has been designated a State Scenic Highway by the Louisiana Department of Transportation and Development. The trail is also a member of the National Scenic Byways Program and has been designated a National Park Service Scenic Byway.

The Creole Nature Trail is a great place to visit in all four seasons. In the spring, the trails are filled with wildflowers and birds are nesting. In the summer, the trails are lush and green. In the fall, the leaves change color and the trails are filled with wildlife. In the winter, the trails are quiet and peaceful.

The Creole Nature Trail is a great place to visit for anyone who loves nature. It is a great place to take a walk, a hike, or a drive. It is a great place to see the beauty of southern Louisiana and to experience the natural wonders of the Gulf Coast.
