WEDDINGS and RECEPTIONS

201 St. Charles Street
Baton Rouge, Louisiana

The lovely, neo-classic style
St. Charles House, built at the turn-
of-the-century, is listed in the Survey
of Historical Baton Rouge as a house
of major historical significance. For-
erly known as the Roumain House,
it is located in a downtown area called
Beauregard Town which is listed on the
National Register of Historic Places.
Three large crystal chandeliers sparkling and reflecting in the mirror over the marble fireplace highlight the large parlor.

From the imposing columns and the double beveled leaded glass entry doors to the white carved Italian marble fireplaces, the lovely house is an ideal setting for your wedding/reception or reception. Especially suited for smaller receptions. Limit 200.

The lovely stairway with stained glass windows at the first landing makes a perfect place for the bride to make an entrance to the living room. It is also an ideal setting for wedding pictures.

We invite you to look over the facility and talk with our YWCO representative.
