A bronze marker will be unveiled Saturday at 10 a.m. at Avery Island, commemorating the historical fact that 101 years ago the first discovery of rock salt in North America was made near the location of the present International Salt Company.

An appropriate program will be held under sponsorship of Avery Island Inc. The State Department of Commerce and Industry will make the presentation.

Unveiling of the marker will be made by two retired salt mine workers.

ACCEPTANCE of the marker will be made by S. Coleman Avery, president of Avery Island Inc.

Invocation will be given by the Rev. Robert Wayne Jackson, rector of the Episcopal Church of the Epiphany, with benediction by the Rev. Edward Fruge, pastor of Rynella Chapel.

Charles L. Dufour, columnist for the New Orleans States - Item will give an address.

A message will be heard from Mrs. J. S. Brown jr., president of the Iberia Chapter of the Louisiana Cultural Resources Commission.
