New Manufacturing Plant in Colfax
To Be Dedicated Saturday Morning

**Colfax Chronicle**

**Karl Bays, AHSC Pres.**

Mr. Bays is a director of the Colfax Industrial Park. It was here, near the new plant, that the Committee to have a labor force and purchased 228 acres of land for an industrial park.

The Council agreed that the industrial committee was needed and presented our efforts to attract industry date back several years.

**Mike Carter, Brucks Mgr.**

Mr. Carter is a graduate of the American Hospital Supply Corporation and has been with the company for over 10 years. He has been involved in the hospital supply industry for many years and has held several positions within the company. He is a member of the American Hospital Supply Corporation and has served as the vice president of the company. He is also a member of the Colfax Industrial Committee and has worked closely with the local municipalities to promote the industrial park.

**Public is Invited to Brucks Open House**

The public is invited to the open house at Brucks, a division of the American Hospital Supply Corporation. The open house will be held from 10 AM to 4 PM on Saturday, September 10, 2022. The event is free to the public and will feature tours of the new facility, as well as demonstrations of the products and services offered by Brucks.

The event is open to the public and will feature tours of the new facility, as well as demonstrations of the products and services offered by Brucks. The event is free to the public and will be held from 10 AM to 4 PM on Saturday, September 10, 2022.
BRUCKS PERSONNEL AT WORK

THELMA THOMPSON of Montgomery is shown inspecting garments as they come from the sewing assembly line. Shown at back is Norma Delacerda of Chopin, also an inspector.

LOLA DUBOIS of Route 1, Montgomery, steam presses garments after they have been inspected.

BRIDGET MURPHY of Montgomery is shown steam pressing garments that have been finished.

CAROLYN WILLIAMS of Boyce at left is a machine operator and Sandra Murrell of Colfax is the production forelady.

PEARLENE BOYD of Colfax is shown using a machine that puts snaps on garments.

MAYBELL CARTER of Cloutierville, Liz Arrington of Dry Prong and Jimmie Sullivan of Alexandria are busy at the sewing machines.

"LET OUR PARISH BE YOUR INDUSTRIAL HOME"
BRUCKS PERSONNEL AT WORK

JESSIE HENRY is shown standing by racks of finished garments that are ready to be packed and shipped out to customers.

EMERSON TADEMY of the Bagdad Community is marking patterns on paper.

JAMES PHILLIPS of Colfax is shown spreading and cutting material.

CHARLIE COCKFIELD of Colfax was hired for the summer to make racks on which to hang garments and patterns. He is shown near racks of patterns on hangers.

JUDY DAVIDSON of Route 1, Colfax and Daniel Hale of Verda are shown cutting stacks of material.

SHELVES OF MATERIALS of practically every variety and color are on hand ready to use.

SHELF AFTER SHELF is stacked with cones of thread to be used in sewing the garments.
A HARD SURFACED PARKING LOT will hold a hundred or more vehicles at one time.

THE BRUCKS PLANT is designed with a large pecan tree in the middle of the glassed-in patio area. Shown are workers filling in and landscaping the patio area.

MIKE SHAFFER, Training Engineer, is shown at his office; a place he says, he rarely gets to stay for very long periods.

A FULL LINE OF VENDING MACHINES and tables and chairs gives the Brucks employees a change of pace during breaks and lunch time.

PAT BERKLEY is in the cost accounting department of Brucks.

MARIBELLE YERBY is shown at her desk. She is the payroll clerk for Brucks.

LINDA PRESTRIDGE of Tioga and Mary Guin of Verda are shown at the sewing machines. Standing is Mary LaCroix.

A HARDSURFACED PARKING LOT will hold a hundred or more vehicles at one time.
Congratulations
TO BRUCKS
Thank you for choosing Colfax and Grant
Parish for your new plant

WELCOME AND

CLECO
CENTRAL LOUISIANA ELECTRIC COMPANY, INC.
MARTHA EBARB is a secretary at the new Brucks plant. She is shown at work.

Curtis Burtschell is the shipping and receiving foreman. He has recently moved to Colfax from Houston, Texas.

SEATED at the table going over the days work are (from left to right) Joe Ann Simmons and Sandra Murrell, production foreladies; Monica Lesage, Linda Sandoval and Brenda Roberts, training supervisors; Gerry Thornton and Mary LaCroix, production foreladies.

Abner B. Green, is president of the Industrial Teaching Service, and is shown next to a wall that is covered with charts, indicating just how much progress is being made.

Raymond Kelly is the machinist and there is always something that needs to be fixed in a plant the size of Brucks.

Betsy Campbell, the console operator, stands by a storage area with baskets that are ready to send down the assembly line.

The vending machines in the rest area are quite popular during the lunch hour.
