Canadians Depart After ABC Fetes

The opening of the American-British Commonwealth Conference in Washington, D.C., will be marked by an extensive program of entertainment this week. American and Canadian guests will be reserved of entertainment at the community's highest level.

The opening ceremonies of the Conference will take place in the National Coliseum, the home of the American-British Commonwealth Conference, on Monday evening, June 18. The ceremonies will include the presentation of the Conference Emblem, the decoration of the Coliseum, and the reading of the opening message.

The Conference Emblem is a miniature model of the United States Capitol, made of steel and glass, and will be displayed in the lobby of the Coliseum. The decoration of the Coliseum will be under the supervision of the American-British Commonwealth Conference and will include the use of American and Canadian flags, flowers, and other decorations.

The opening message will be read by the President of the Conference, who will be assisted by the Secretary-General. The message will be a statement of the aims and objectives of the Conference and will include a note of welcome to the American-British Commonwealth Conference.

The opening ceremonies will be followed by a reception in the Coliseum lobby, where the guests will be entertained by music and dance. The reception will be open to the public and will be a fitting introduction to the Conference.

The American-British Commonwealth Conference is a biennial event that brings together leaders from the United States and Canada to discuss and coordinate policies on matters of mutual interest. The Conference was founded in 1945 and has met every two years since then. The Conference has been attended by such prominent figures as President Franklin D. Roosevelt and Prime Minister John Diefenbaker.

The Conference is supported by the governments of the United States and Canada and is housed in the United States Capitol. The Conference is directed by a committee of American and Canadian representatives, who are assisted by a staff of experienced professionals.

The Conference is an important forum for the exchange of ideas and the promotion of cooperation between the United States and Canada. The Conference has helped to strengthen the ties between the two countries and has contributed to the development of a shared understanding of the challenges facing the world today.

The American-British Commonwealth Conference is a fitting example of the close relationship between the United States and Canada. The Conference is a testament to the enduring friendship between the two countries and to the importance of cooperation and understanding in the modern world.
