Cathedral, Mt. Carmel Name Board

Officers have been elected for the lay school board which will administer the recently consolidated Cathedral and Mount Carmel schools here.

Dr. Leonard Rolles was named president; Henry Landry, vice president, and Mrs. Ewing Latimer, Jr., secretary.

Registration for the 1967-68 school term, when the consolidation will be effected, has almost equaled this year's enrollment, it was reported by Brother Nicholas Grahamann, F.S.C., Cathedral principal.

He advised that grades one, two, 11 and 12 are filled to capacity, and that a few openings still exist in grades three to 10.

He emphasized again that the merger and realignment of school facilities is resulting in a highly qualified faculty with the majority of teachers having college degrees or lifetime certificates. In the high school faculty there are ten teachers with master's degrees, the principal pointed out.

Teacher assignments were announced and the principal expressed the hope that a full-time vocal instructor can be employed, and the band program expanded.

The proposed budget for the 1967-68 school year was approved. It includes a raise in salary for all of the lay teachers.

A committee of Dr. Rolles, Msgr. George Bodn, pastor, Brother Nicholas and Mother Immaculata, O. Carm., Mount Carmel principal, was appointed to confer with Bishop Maurice Schexnayder of Lafayette concerning the proposed change in name of the school.
