Citizen Contributions Asked For Gardens Project

A contribution is being solicited by the Lafayette Parks and Recreation Commission for the purchase of new plants and equipment for the gardens. The committee is hoping to raise $1,000 to purchase new plants and equipment. They are also seeking contributions from individuals and businesses.

Hilda Welch, the chairperson of the committee, has set a goal of $1,000. She has already received contributions from several individuals and businesses. She is hoping to reach the goal by the end of the month.

Any contributions received will be tax deductible. The committee is working with the city to ensure that all contributions are properly accounted for.
