New Orleans is filled with fun times, great history

BY JOE OYAN Jr.

NEW ORLEANS - Frenzied fans mobbed Saucer on Magazine, near the French Quarter, formerly called New Orleans, in 1718, and nothing describes the city better than the French phrase "Lauson du temps, au temps.

The phrase means "Let the good times roll."

The good times are always rolling in New Orleans. The city's blue-collar, blue-collar neighborhood, which is filled with colorful Mardi Gras floats that are moved in the French Quarter, is a home to a multitude of festivals and parades throughout the year. These events attract tourists and locals alike, making New Orleans a vibrant destination.

On the riverfront, you'll find the French Quarter, where the historic French Market and Jackson Square come to life with music, art, and food. And don't forget about the Annual Mardi Gras Parade, which is always a highlight of the season.

The French Quarter is not just about the street scenes, though. It's also home to some of the best restaurants and bars in the city. Whether you're looking for a casual bite to eat or a fancy dinner, the French Quarter has something for everyone.

The French Quarter is a hub of activity, with people coming and going all day long. Whether you're a local or a visitor, there's always something to see and do in the French Quarter. So put on your walking shoes and get ready to explore this amazing neighborhood!
