One Moment In Time

Early Acadian house and hotel built during the 1820s

This early Acadian house, made of cypress and handmade bricks, was erected in the 1820s. It was the first hotel in Vermilionville and now houses Café Vermilionville. This photo is part of the permanent collection on display at the Lafayette Parish Clerk of Court office in the Parish Courthouse.

If you have an historic picture you would like to see displayed in the collection, contact Clerk of Court O.C. Dan Guilliot. He will have it reproduced and return it to you.
