HONORED — Bob Angers (left), founder publisher of Acadiauna Profile magazine, received the award as the Outstanding Citizen of Acadiauna for 1979 from Chester Martin of Lafayette. The award was given by the International Relations Association of Acadiauna (IRAA), whose meeting Martin chaired in Lafayette Saturday. Martin said of Angers: "He has spread more international goodwill and understanding between Acadiauna and the Spanish and French-speaking countries of the world than any government agency has ever done."
