GROUP TO TOUR DERIDDER AREA

Historical Places, Homes Opened for Visits This Afternoon

DERIDDER, April 3 (Spl)—At 1:30 p.m. Saturday the buses will leave the War Memorial Civic Center for a tour of historical places in Beauregard and back to DeRidder to see the homes that have been put on the tour, sponsored by the DeRidder Gardenettes.

The first stop will be the Harper place, a landmark, and the smallest post office in the United States will be seen at the Sugartown. Then the group will visit the Pine Grove Cemetery, where many of the graves have frame shelters over them. This was done many years ago to keep the animals from the roadside.

The buses will return to the center at 3:00 and then the touring group will have until 5:30 p.m. to see the homes on tour: Crosby Hall Mr. and Mrs. Ed Brandt, and Lakewood farm, the home of Mrs. J. H. Cain.

The Rev. Robert Jamieson, Mayor Bob Blankenship and H. H. Haynes will be aboard the buses to tell the story connected with each stop.

C. R. Middleton is in charge of arranging transportation.
