Happenings at the Dome

They came. They saw. And they danced at yesterday's grand fete at the Cajundome. Above, the music was not just for listening, as many partygoers tried out the Dome's interior for dancing. At right, Gov. Edwin Edwards had a pleasant surprise with the announcement of his backing for changing USL's name to the University of Louisiana. The marker at left, located in front of the Dome, is in memory of the late Capt. Steven L. Bennett, a Lafayette native and USL graduate, who was posthumously presented the Congressional Medal of Honor for giving his life in Vietnam.
