Dupre Library  
USL  
Lafayette, Louisiana

Dear Miss Segura,

Enclosed are two articles which I thought might be of interest to you. The first is an article from the New York Times about the revival of the French language and culture in the Lafayette area. The second is the term paper for my American history course. You will recall that I did the research for this paper during my spring vacation. I hope you will accept this copy as thanks for the assistance you have given me in the past on this project and also the history of the City.

I am looking forward to seeing you this June.

Sincerely,

Phil Dismukes
