Ambulance Medic Honored
In Ceremonies In Kaplan

KAPLAN — Acadian Ambulance Medic
Robert Frederick of Kaplan was honored at
a recent banquet for 10 years of service with
the company and for achieving a 16-year
record of accident-free driving.

Frederick is an Emergency Medical
Technician—Intermediate and is also an
active member of the Kaplan Fire and
Rescue Unit.

"Robert has been a truly dedicated and
devoted member of our emergency medical
team," said Richard Zuschlag, secretary-
treasurer. "His performance over the past
ten years has been exceptional. Our files
contain many letters reporting of instances
where the long hours of demanding training
Robert has undergone has made the dif-
ference between life and death. The resi-
dents of this area can be proud to have
someone like Robert close at hand to time of
need."

Frederick and his wife, Charlene, have
three children: Dana, Denise, and Derek.
