Dear Recreation Friends and Volunteers:

On behalf of the one hundred sixteen (116) full-time employees and the thousands of recreation volunteers, I am pleased to provide you with a copy of our 2017 Annual Report.

Our report identifies the historical funding issues that remain an obstacle for the Lafayette Parks and Recreation Department. While our community has experienced positive growth and development, the department has not been able to provide new recreation facilities for the citizens of Lafayette Parish. The partnerships we identified in last year’s report, the volunteers and dedicated staff members have maintained the existing facilities and avoided any reduction in services and programs.

If you have any questions, or would like additional copies of this report, please do not hesitate to email me at gboudreaux@lafayettela.gov, or you can call me at 337-291-8374.

Sincerely,

Gerald R. Boudreaux, Director
Parks & Recreation Department
