Breaux Bridge--The Rev. Carey Landry, an internationally known song writer and Catholic priest, presented a special children’s concert for the students of St. Bernard Catholic School in Breaux Bridge October 25.

Rev. Landry guided the children with an hour of music and song which literally vibrated through St. Bernard’s Church. The young voices of the 250-plus students joined the priest’s voice as he sang many of the songs he had written, including those from “Hi God!” an educational program that is known throughout the United States.

With songs and hand signs, Rev. Landry showed the children a remarkable way of praying to God.

Rev. Landry is a native of Leroy, Louisiana. He has been given permission by the Diocese of Lafayette to utilize for children. This particular concert was one of the two concerts scheduled for this trip to South Louisiana. His one other performance was held the following night at St. Thomas Moore in Lafayette.
