Quebec Government Signs Lease For State Offices

The Quebec government has signed a lease for Louisiana offices in the French Spanish Trade Mart in Lafayette, according to a joint announcement by Louis Leblanc, Quebec's business representative, and Dewey Ostrich, director of the Trade Mart.

Quebec Bureau chief stated a message appearing in Acadiana Press that the Canadian Province now has a official office in the Heart of the oil field, proving that Quebec is not only a physical, but an economic presence in Louisiana and the United States.

From Quebec:

"Quebec has always been a strong advocate of the principles of free trade and international cooperation. Our offices in Louisiana will allow us to better serve the needs of our citizens and businesses in this region." - Louis Leblanc, Quebec's Business Representative

Lafayette Chamber of Commerce welcomed the new office, noting that it will help strengthen ties between Quebec and Louisiana.
