Richard Chargois Home — The original Richard Chargois home was built in the early 1840s by Chargois and his two brothers. It was located at 504 Buchanan St. and was always occupied by some member of the family. The last survivor was Miss Josette Salles who died in 1967. The house was moved in December, 1967 to its present location in La Llee des Chene subdivision off Kaliste Saloom Road. It has been restored by J. C. Chargois Jr., a great-grandson of the original builder, and is open as a tourist attraction by appointment only.
