School Board Tables
Acadiana Neuf Action

A resolution authorizing an appropriation of $250 to
the Acadiana Neuf organization was
tabled yesterday by the Iberia
Parish School Board until a
later date during which time a
ruling can be made by the dis-
trict attorney as to its legality.

In the regular monthly meet-
ing of the board it was the
opinion of the members that they
might not have the
authority to make such a dona-
tion. They also felt that with
as little knowledge as they had
on the program they
could not give a sincere vote without
knowing what the proposed
program of the organization is.

The matter will be referred
to District Attorney Knowles
Tucker for legal ruling and will be
taken up at the next meet-
