**Gordy Show to Open at Stern Gallery**

Gordy Exhibition at Stern Gallery, opening feature shows this Sunday, March 12, will continue for several weeks. Among his awards are a 1967 Art Institute of Chicago Purchase Award and a citations from the Oklahoma Fine Arts Center and the Delta Art Exhibitions at the Arkansas Arts Council, 1969 purchase award, from the University of Oklahoma. He has been presented with a number of awards and exhibitions, including the 1967 Texas Biennial, to open March 20, March 26. The depth of enjoyment one might experience in a good bib is a dozen colors and an unending variety of muscles. Not to mention that they are minimally prepared with the proper amount of seasoning. The sauce is particularly fine. The cookery itself is fine. The cookery itself is fine.
