Stuller Settings shines

Champagne celebration heralds huge growth plan

Manny Stuller

Stuller Setting, Inc.,'s ground-breaking celebration Wednesday solidified the company's $2 million expansion project. The event was a clear sign of the company's growth.

Employees were treated to champagne and bread-and-cranberry punch. The festivities were held in the company's building at 1025 South College. Manny Stuller, president, addressed the crowd, saying, "This is a new and exciting day for Stuller Setting and for Lafayette." He also thanked employees for their hard work and dedication.

"This expansion represents a huge investment in our company and our community," Stuller said. "It allows us to continue to grow and to meet the needs of our customers."

The expansion will add a new building to the company's facility, providing more space for production and office operations. It will also create new jobs and opportunities for the Lafayette area.

"We are very excited about this expansion," Stuller added. "It will allow us to continue to serve our customers and to keep up with the growing demand for our products."

The champagne celebration was followed by a ribbon-cutting ceremony, attended by local officials and community leaders.

In addition to the expansion, Stuller Setting is also planning to open a new store in the near future. The company is looking forward to continuing its growth and success in the years to come.
