SUPPORT GROWING

Acadian Village is picking up for the proposed Around the World Tropical Festival, a project sounded by the Lafayette Association for Retarded Children. The project would provide a tourist attraction for Lafayette and at the same time give the fans a center in which to work and prove themselves capable of providing for themselves. 2-2-73

The Lafayette Civic Club has announced plans to secure a sales building at the gardens in which artifacts and crafts made by the handicapped could be sold. The Lafayette Chamber of Commerce has wholeheartedly endorsed and will promote the project.

The Lafayette City Council and administration is also considering the association's request for $10,000 needed to equitably for a federal grant of $25,000. With continued support, the project can become a reality in the very near future.
