One Moment in Time

Constructed in St. Martinville, the Bernard House is the oldest structure at Acadian Village. The section on the left was built first. The one on the right is an addition. Make plans to visit Acadian Village during National Historic Preservation Week, May 16-22. Lafayette Lagniappe coupons will admit two people free during this week only. For more information, call the Lafayette Preservation Commission at 261-0425.
