Twinning Pilgrimage Part II

Part II of a two-part report by Dr. R.L. Savoy, Continued from last week.

Tuesday, August 27- "We said goodbye to New Brunswick Province and continued on our journey to Prince Edward Island and Charlottetown. We boarded the ferry M.V. Holiday Island at Cape Tormentine, N.B., for about an hour's ride and disembarked at Borden, Prince Edward Island, crossing the Northumberland Strait and continuing on the route through the village of Summerside and on to Mont Carmel to Village Planner. The village is a cooperative effort of the people of the area, who maintain the buildings and grounds and was begun when fishing was very bad and a source of income was needed. Included in this stop was a lobster dinner at the 

IN DALHOUIS, N.S.- The 1985 Church Point Buggy Festival Queen, Stacie Soileau, is pictured with Mr. and Mrs. Ernest Lyons of Church Point, as they enjoyed a visit with an interesting priest, pastor of the St. John the Baptist Catholic Church there.

The first lighthouse at Peggy's Cove was built in 1868. It was a small building on the rocky shore of the sea. The lighthouse was built to guide ships away from the rocks and to help keep the fishermen safe. The first lighthouse at Peggy's Cove was made from wood and it was an experience seeing how the lighthouse was built. The lighthouse was made from stone and it was an experience seeing how the lighthouse was built.
