Sailing Tops List of Water Sport Activities at Cypremort Point

Sailing, pleasure boating, fishing, swimming, water skiing, wind surfing — if it's a water-related activity, you can enjoy it at Cypremort Point State Park. One of the finest sail boating areas in Louisiana, the park includes a sand launch especially designed for sail boats. Sailing enthusiasts participate in national level competition races in Vermilion Bay, while families picnic, sunbathe and play along the beach.

Between Grand Isle and Cameron, Cypremort Point is the only locality near the Gulf of Mexico which can be reached by car. A half-mile stretch of a man-made beach provides a delightful area for relaxing, picnicking and enjoying the water. It also affords an opportunity for fishing, crabbing, skiing, surfing in the wind and of course, sailing.

Numerous picnic tables, barbecue grills, and covered picnic pavilions, with modern restroom facilities close by, are located throughout the park, adding to Cypremort Point's family appeal.

Fishing Opportunities

A boat launch just outside the park's entrance is only a few miles from the Gulf of Mexico and fishermen can venture out to fish in the Gulf or in the Bay. Catches of flounder and red fish are not uncommon in the area. For those interested in fishing, a 100-foot fishing pier is situated on the Bay.

In addition to excellent sailing and swimming facilities, the 185-acre park also holds a special attraction for nature enthusiasts. Located in the heart of Louisiana marsh, the site contains an abundance of wildlife. The quiet observer may view nutria, muskrat, alligator or a number of bird species native to the state.

Sailing In The Wind And Sun

The National Hobie Cat Regatta is an annual event at Cypremort Point. Hundreds of brightly colored hobies dot the water as expert sailors guide their boats at record speeds. Whether you're a racer, a sailing enthusiast or interested observer, you'll find Cypremort Point one of the finest places for sailing.

PICNICKE'K'S DELIGHT — Covered pavilions, shelters, picnic tables and grills make Cypremort Point State Park an outstanding spot for a day's outing. The view of Vermilion Bay is frequently enhanced by sail boats of all colors and sizes. The site also offers good fishing and swimming.

SAILING AWAY — Let the sun shine on and breezes blow as you sail on the waters of Vermillion Bay, one of the finest sailing areas in Louisiana.
SMOOTH WATERS - A small, quiet beach faces the clear, blue waters of Vermilion Bay, a sailing outlet to the Gulf of Mexico.
