

Welcome To The Bayou Rouge Baptist Church

You will feel the welcome of a church that is proud of her history from her establishment in 1841 and yet is concerned about your present and your future. Your present can be transformed by the lordship of Jesus Christ and your future assured by His salvation. Come to worship and to learn with us. Your spiritual views will be respected and we ask only that you in turn respect ours. We are

affiliated with the Southern Baptist Convention and we cooperate for missions and ministry through the Louisiana Baptist Convention.

We do not impose our beliefs upon anyone, but have convictions that are shared by millions of Baptists around the world. On Sundays, David Townsend leads our Sunday morning Bible study at 10 a.m. where members share truths and views with one another openly, honestly and with mutual respect. At 11:00 a.m., David Trimbur, B. A.; M/Div brings his perspective of God's Word from a background of over forty years pastoral experience and studies in Louisiana College and at Southern Baptist Seminary. Both Davids along with dedicated members stand ready to serve you in your spiritual pilgrimage through life with Christ. "A Church who Dares to Care" is not just our motto, it is our commitment to you.
