News Page

Welcome to the Evergreen News Page

Pelicans are encouraged to send their news for posting on the News Page. Topics may include, but not limited to family events, weddings, births, employment/promotions/changes, military service, visits (family and friends - especially those which were long over-due), honors, recognitions, obituaries, relocations, family reunions, prayer requests, social events, church events, retirements...you get the idea. A news story could be about one person or as many as the topic includes. There are no space requirements. A picture is optional.

Those sending announcements/stories for the News Page should include their name, email address, phone number and regular mailing address.

Viewer interest in this page will depend upon each of us submitting news items. If each Pelican will participate within their comfort level, the News Page could be both informative and enlightening. The information (narrative) and no more than one picture (jpeg file) - should be emailed to Mike@EvergreenLa.org Information may be sent to 1176 Highway 361, Evergreen, LA 71333 if email access is not available.
