Dear Pelicans,

Merry Christmas. Remember, HE is the reason for the season.

Tomorrow the computer used for www.EvergreenLa.org will be replaced. If you do not receive an update after this one (within the next month) please email me at Ed@EvergreenLa.org so I can work out the bugs in the various email address books.

There are many updates to report, so these will be briefly listed in order that you may go to www.EvergreenLa.org and see for yourself.

A Prayer Requests Page has been added – check the upper right of Main Street (home). Two PRs are posted: Terry Riche' and William Albritton Family. Thank you Dale for making this happen in such a timely manner. The power of prayer - it is remarkable.

Obituary Page – Bobby Bonnette, Gale Armand, and Eddie Jeansonne have been added.

News Page – Civic League Meeting of Nov. 11, 2008

Family Connections – Nolan Blanchard and Eura Vee Theresa Descant Ortego.

Education Page – Click on Education, History of Education and the Dec. 3, 1948 story submitted by Glynn Kohler about the high achievements of the FFA Chapter. Thank you Glynn for spotting this story in the Bunkie Record and sending it. Also, congratulations to Charles Roberts, Dorsey Dunbar, and Marvin Robson for their leadership in the FFA.

Photo Gallery – Addition and changes in viewing – click Photo Gallery, Education: Evergreen Schools, 1950-59, 1952 Graduation Class in listing on the left.

Thanks to Ryan and Carolyn Tanner Rabalais for providing the picture. .

Also, please note that you may click on the recently posted pictures and they will become enlarged. Click on < and the picture reverts to its original size.

(A special acknowledge and appreciation is extended to Ryan and Dale for providing the website with excellent pictures).

Request: If you click on the Contact Us Page (volunteer staff is posted here with email addresses) and scroll down to Contact Us you will note that Harold Aymond, Maurine Bordelon Lacour, and Martha Redmon Saylor have offered their names/email addresses for other Pelicans to email them. Please consider emailing permission for your name and email address to be posted here. It will enhance communications among Pelicans. You may request removal at any time. Your assistance is appreciated. Thank you.

Please know how much your efforts to document Evergreen through words and/or pictures are appreciated. Those contributors are making it happen for your family website.

May you and your loved ones enjoy a healthy, happy and prosperous New Year.

Update Monday, December 8, 2008

Appreciation is expressed to the above sources for sending the above information for posting.

All Pelicans are encouraged to continue to send information for posting in the News, Class Rosters (70s & 80s), Family Connections, Former Faculty and Staff, Memories, Memorials and Military pages. Thank you.

Merry Christmas. Remember, HE is the reason for the season.

Update Monday, November 24, 2008

Dear Pelicans,

Please note the following changes and additions to www.EvergreenLa.org

1. Dale has adjusted the home page to include links in the upper right for easy access to Obituaries, Family Connections and the Military Page. Thanks, Buck, you do make the website something all Pelicans can point to with pride.

2. Additions have been made to the Military Page...Dr. Harold Aymond and five Rabalais: Allen, Arnold, Harold, Leslie, and Philip. A special thanks to Harold and Ryan for making these pages happen.

3. A "Must-Read" for Thanksgiving is an anecdote written by Maurine Bordelon Lacour entitled "I Remember The Greatest Woman That Never Was." What a wonderful tribute to her mom!

4. It was announced in the November 11 Update that obituaries from the past can be added to the website...and since then two have been posted, as follows: Ordean Gaspard Aymond and Leo D. Bordelon. Thank you Kristin Bordelon Normand and Mable Bordelon Aymond for sending these. They are from 2001 and 1975. Please send obituaries (picture is optional) from the past so the departed Pelicans may be remembered in a special way.

5. Bernard Mayeux has written that he has two burial plots for sale in the Little Flower Church Cemetery. The plots have been cemented. If interested, please email me and I'll notify Bernard of your interest or contact him directly.

6. On November 11, I had the pleasure of meeting with the Evergreen Civic League at the home of Doris Ortolano. We toured the Evergreen Website, enjoyed refreshments and interesting conversation. There are some plans in the works which could result in a higher profile for www.EvergreenLa.org and the development of pages which are currently on the drawing boards. Thank you Doris for hosting a wonderful meeting.

Happy Thanksgiving to you and your loved ones.

A special appreciation is extended to the website team. They are listed in the "Contact Us" Page. They are treasures.

The website team is most appreciative for your participation and support of www.EvergreenLa.org Whether it was an anecdote, a memories letter, or a Military Page, your contributions are appreciated. Also, all of you who have subscribed and receive the Updates are appreciated. Your comments, feed-back, and interest in Evergreen make coordinating the website a true labor of love.

Dear Pelicans,

On this **Veteran's Day**, please click on Community, **Military** and pray for those members of the military and their families. Help us remember and honor those current and former members of the military. Please send information/picture of your military heroes. Please send information, even if a military or other picture is not available.

A wonderful memorial has been posted for **Ward Joseph and Emily Ann Guillot Galland** by their daughter, Geraldine "**Gerry**" Sheets. There are now ten Memorials posted.

Please note **Ryan Rabalais' talents** and dedication when editing our pictures (with the captions in the pictures). He did this for the Original 1950s Boogie Kings, the Memorials of Arnold and Bertha Rabalais and Ward and Emily Galland, and Bill Albritton and Marvin Descant's military pictures. Thank you Ryan for adding a special touch to the website pictures which you edit.

Please click on the **Education Link, Former Faculty and Staff, Principals** - for information on the four Evergreen formal education sources between 1857 and 1988. It includes a listing of each school administrator, as well as some of the facility additions during those years.

Please click the **Family Connections** Page of the Community link and note that over 70 FCs have been posted. We encourage everyone with an Evergreen connection to send their Family Connection. The information is in the introduction of the section and there are over 70 examples. The FCs are like links of a family chain, so please submit your link.

Families...the core unit of any community. And so be it with Evergreen...quite interesting. Felix and Willis Rachal (brothers) married two sisters, Louise and Cecelia Descant. Not to be outdone by the Rachals and Descants, Dannie, Haywood and Laymon Aymond married Lela, Maggie, and Mable Bordelon. Their FCs are posted.

Three volunteers have been added to the www.EvergreenLa.org staff. Each of them are appreciated for their dedication. **Obituary Reporters:** Joyce Rachal Roy ('58 EHS) (Lafayette Daily Advertiser), Carol Armand Pellegri ('60 EES) (Baton Rouge Morning Advocate), and Susan Riche' Earnest ('62 EES) (Alexandria Town Talk) review the Obituary sections of the above daily newspapers for deceased persons with Evergreen connections. **Your assistance in the timely reporting of other deaths not included in the above media sources is appreciated.**

Click on the picture of the **Bayou Rouge Baptist Church** on the home page and be taken to their website. Click on Cemetery and you may view the names and locations of all who have been buried there. What a wonderful website!

Please note the need to post obituaries, regardless of the date. So, if you have one from the 1940s, 1892, 1985, it doesn't matter. Please email it to me so we can post in the **Obituary Page** in the upper right of the News link.

Remember, those who wish to have their name and email address posted in the **Contact You section of the Contact Us** page should email that request to me. This will improve communications among friends, classmates, etc.

Maurine Bordelon LaCour has written a most interesting anecdote entitled, "**Gimme a Moon Pie.**" Enjoy.

Remember, **the Evergreen Website exists for you and your family.** Please send information in any of the above categories so all may enjoy the fruit of a shared endeavor.

Evergreen - may it remain forever **green.**

Peace, Ed

Dear Pelicans,

Fans of the **Original 1950s Boogie Kings** will be pleased to know that a story (with some photos) of Lopstock #7, held Oct. 18, has been posted in the News. Also, the story announcing Lopstock #7 (also in the News) contains a posed picture of the group. You may get on their mailing list for 2009 or log on to www.EvergreenLa.org for the announcement of Lopstock #8 which will be made next summer.

More **Family Connections** have been added to the Community Link - Dickens Bordelon, Curry "Red" Armand, William Caleb Spruill, William Joseph Spencer.

Reviewing the FCs Page reminded me of an interesting tidbit: The Dickens Bordelon Family (16 children), Pierre Descant Family (14 children), and J. C. Albritton Family (10 children) at one time lived within 1 1/2 miles of each other. You notice those little things when you are closely connected with all three families.

You are encouraged to send your Family Connections to Ed@EvergreenLa.org Thank you.

A separate update will be sent soon which will illustrate the efforts being made to include obituaries for all with Evergreen connections. **Obituaries** are located in the upper right of the News Page. Your efforts to keep us current are appreciated. If you have a obituary of a loved one, please email it to me and it will be posted regardless of the date of death.

Please click on the Community Page, then **Military**. This page is now accessible and the posting of Carol Aymond and Bill Albritton are just the beginning. Please send information of those who served in the military, regardless of the length of their tour of duty. This is one way to show our gratitude for the sacrifices of those heroes.

Lynn W. Wright is now receiving information for the **Evergreen Address Book Data Base**. You may send her information at Lynn@EvergreenLa.org on former students, former residents, current residents or anyone with an Evergreen connection. The information will be kept confidential, but will be invaluable for the next Evergreen Reunion and for coordinating the website.

Those who wish to have their **name and email address listed on the website** in the Contact Us/Contact You Page should email Ed and state your wishes. This will not be done unless you email the request. Thank you.

Published 10/16/2008 6:49 AM

Dear Pelican,

The Evergreen Community had two deaths on Monday and their obituaries are posted at www.EvergreenLa.org

Obituaries for both **Curry "Red" Armand** of the EHS Class of 1951 and **Ollie Bordelon Redmon**, Class of 1936, are posted in the Obituary Page of the News link. Please click News on the Home Page, then Obituaries in the upper right of the News Page.

Condolences are extended to both families and friends of Red and Ollie. Ollie has some memories posted in the Memories Page of the website.

The FCs for Red and Ollie are near completion and should be posted soon.

Please click on Community, then Family Connections. FCs for the families of **Ronnie Carmouche, Bill Spencer, Raymond Ducote** have been added. Please send your Family Connections...the FC introduction explains how easily this can be done and the importance of your family information.

Peace, Ed

Dear Pelicans,

I am excited and pleased to announce that **Lynn W. Wright** (EES class of 1958 and BHS Class of 1962) has accepted the position as Coordinator of the Evergreen Address Book. Please click on the "Contact Us" link and review what she will be needing from you for the EAB. Your cooperation in helping Lynn establish and maintain the EAB is appreciated.

Lynn, daughter of Clay and Margie Escude Wright, was a member of the EHS Girl's Basketball Team in 1957-58 while only an 8th grader. Her enthusiasm, competence, and dedication are a welcomed addition to the www.EvergreenLa.org team.

While on the "Contact Us" Page, please scroll down to the section entitled "**Contact You**". To facilitate communication, you may request that your name and email address be posted in this section of the website.

Family Connections are now posted in 13 letters. A special thanks to **Joyce Bordelon Nelson** and **Maurine "Anne" Bordelon LaCour** for sending the **Lannie Bordelon** FC and the FCs for all of their Bordelon Siblings.

The **Military Page** is nearing completion so please remember our heroes from all branches of the U.S. Military and the Louisiana National Guard by having them recognized in a special way. We are seeking a picture of each in military attire and information about their service experience. Each of them are to be commended for their dedication to our country and our state. Placing the information on the website will allow viewers to express their appreciation of our heroes 24/7.

There are several areas of the website which are in need of coordination. If you wish to get involved, please write me so we may begin communicating about those needs and your interests in those areas. Our team members dedicate their efforts at their leisure.

Thank you for continuing to inform others about www.EvergreenLa.org It is appreciated and your efforts are making a difference.

Peace, Ed

3. A person who did not attend school in Evergreen has made an **anonymous donation**;
4. **The Class Rosters for the 1940-49 years** have been posted. Please review and provided feedback as needed. There still is much information needed about the 1960s class rosters - married names, BHS or CHS, deceased, etc. ;
5. The **new flash program** on the home page contains three pictures - one from each Evergreen Reunion - 1983, 1990 and 2008;
6. Please review the **Updates** so you may know those items which are needed on www.EvergreenLa.org

Other items:

7. Efforts on several fronts continue: Evergreen Address Book, Class Rosters (1970s and 1980s), Family Connections, Memories, Memorials, etc. Please consider documenting your Evergreen existence and the existence of your family.
8. **Class Pictures from the 1983 Reunion** are being reviewed and captions are being completed so these may be posted in the 1983 ER photo gallery. This task will take some time to complete. Please be patient and continue to send information from the above areas so the website may continue to grow. Remember, it is your website and it needs your attention and care.
9. An attachment is provided so you may email this to friends, family, classmates, neighbors, etc. It provides an overview to www.EvergreenLa.org Earlier this week, copies were delivered to T. Robson's store, Evergreen Civic League, and Evergreen Municipal Officials. One of the most effective ways to get others connected with www.EvergreenLa.org is for you to personalize the information contained in the attachment when you communicate with them. Update **Tuesday, September 09, 2008 6:12 AM**

1. Class Rosters for the 1940-49 years have been posted in the Education Link, Former Students Page. Updates are needed for the 1960-69 years, where BHS and CHS designations are missing. Also, deceased, married names, and other classmates are needed. Your assistance in making these CRs more accurate and complete is appreciated.

2. Acknowledgement and appreciation are expressed to Lynn W. Wright, the latest donor to the Evergreen Reunion/Website. You are encouraged to view the donor options posted on the Donor Page.

3. Susan Riche' Ernest's Memories Letter was the most recent posting. Please send your Memories so they may be documented. You may add to them at any future date.

4. Family Connections have been posted in the Community Link. The letters A, D, R, S, T have been activated...just click on the letter and FCs for that letter will appear. A FC simply reflects one family unit with parents and children...no dates, etc.

Please email your FC so it can be posted. Our goal is to document all of the families who once resided in Evergreen. FCs for current residents are also needed.

5. Click on the Anecdote Page for Billy Wright Hilleren's coat rack strategy when Mr. Smith would patrol the halls. Please send some of your favorite anecdotes. You may write on any topic. John Smith and I wrote about hurricanes because Gustav reminded us of earlier ones.

6. The News Page has a recent posting from Karen McCoy, daughter of Mary Jo Ducote and Paxton McCoy. Your news is requested. Email me if you have an explanation for the basketball goal in the picture of the Gustav story.

7. Reminders: Please visit the News for announcements of events coming soon...**Evergreen Church Fair this weekend.** Your participation is appreciated.

Thanks to all who sent anecdotes, memories, news, FCs, and other information. Those of you who have helped and continue to help with Class Rosters have a special place in my heart. Thanks to all Pelicans who continue to inform others of www.EvergreenLa.org It is appreciated.

Subject: Update Thursday, September 4 6:05 PM

Dear Pelicans,

As life reaches some sense on normalcy after Gustav, please be reminded that the News, Memories, Anecdotes, and Family Connections are wonderful opportunities for Pelicans to document some aspects of life in Evergreen or an update since those years.

[Anecdotes and News Stories](#) can easily be done in a brief sitting...perhaps just a couple of minutes. If everyone participates these pages will be very enjoyable. However, if only a few Pelicans submit items, the two-way street of cooperative efforts for us to enlighten each other will not be realized. Please consider writing something for these areas. Other Pelicans would like to know your news and learn of the events in your life.

[Memories](#) letters can be longer than News stories or Anecdotes...or you may submit a few of your memories, then send more later. Some Pelicans have written several times, and the addendums are added to what was previously posted. Memories have that additive quality. I trust you will soon send some of your Evergreen Memories. Remember, no one else can write your memories.

In the [Community Link, the Family Connection Page](#) has been added. Please review the information posted, along with examples. This area should be a "slam-dunk" for anyone who wants to document the Family Connections which did exist and those which grew out of those FCs. Thank you for documenting the Family Connections in your family.

John Smith and I have submitted a few hurricane [Anecdotes](#)...just to get the ball rolling. So, please send your Anecdotes...notice how brief they are. Anecdotes may be on any topic. I bet many of you have some Anecdotes which others would enjoy. Thank you for sending some of your anecdotes.

A [News Story](#) will soon be posted on [Gustav's visit to Louisiana](#)...so please send your story (along with a picture if you wish). The story I submitted will have a picture included (soon) and perhaps you could view it and explain how the basketball goal make-over occurred...at this point only Gustav knows.

Remember, the [Little Flower Church Fair is scheduled for Sept. 13 & 14](#) and several other events posted in the News are scheduled for October. Check the News for the details on all of these scheduled events. Your support is appreciated.

Thank you. Peace, Ed Dugas

Subject: 08 08 30 Update www.EvergreenLa.org

Dear Pelicans,

The purpose of this Update is to make you aware of several major additions/changes which have been posted on www.EvergreenLa.org

Class Rosters for the 1960-69 years have been posted in the Former Students (Education) Page. Please review these and provide feedback on needed adjustments. Updates on husband's names, deceased, high school from which graduation, names missing from list, etc., are needed. Anyone who attended EHS/EES during the 60s should be on the 60s CRs. Thank you for reviewing the list and providing feedback.

Billy Wright Hilleren, Debbie Riche' Molan, Pete Riche', Kathy Wright Juneau, Glynn Kohler, Mary Lynn Riche' (Ken's wife, BHS), Mike Tanner, Carol Armand Pellegrin, Barbara Aymond Bowman, Susan Riche' Ernest, Richard Ducote, Beth Kohler Vandersteen, Julienne Ducote Spencer, Tracy Spencer, Cynthia Galland Cappel, Dr. Harold Aymond, Ronnie Galland, Dr. Charles Long, Darrel Jans, Kristin Bordelon Normand, Joyce Rachal Roy, Martin "Sonny" Cox, Maudie Holston Gauthier, and others provided information to make the CRs possible. **A special thanks is extended to the above Pelicans and forgiveness is requested from those whose names I neglected to include. All input and feedback is appreciated.**

Dale has organized the Education photo gallery whereby **pictures are identified by the decade**. More class pictures are needed. Please email them to Ed in a jpeg file. Ryan Rabalais has significantly improved many of the pictures which are posted in the photo gallery.

The **Family Connections Page** has been activated and is ready to receive more FCs. Please click on the Community Page, then Family Connections for the information and format. Letter "D" is activated and more letters will be activated as FCs are received. **This is a wonderful opportunity for Pelicans to provide information on their families in a two generation unit.**

It looks like Gustav has Lafayette in his cross hairs. so please keep us in your prayers. If you don't hear from us for a while, you will know why.

Peace, Ed

Dear Pelicans,

News Stories:

Three news stories have recently been posted - Martin "Sonny" Cox Update, Little Flower Church Fair Scheduled for Sept. 13 & 14, and Cottonport Dinner Theatre "Cooking for the King" 2008.

Also, please click on Obituaries on the right side of the News page. The obituary for Robert "R.L" Laborde has been added. He is the husband of Beverly Ann Riche' Laborde, EHS Class of 1954.

What do Martin Cox, Barbara Aymond Bowman, Dr. John Smith and Dr. Everette "Hayes" Barman have in common?...They took time to write a brief update for the News so other Pelicans could learn of some of their life highlights. Please consider sending your update so interested Pelicans can be informed.

Class Rosters Compilation Continues:

Finishing Touches

Some finishing touches and updates were added to the 1950-59 Class Rosters. Special thanks are extended Martin "Sonny" Cox, Ronnie Galland, and Joyce Rachal for providing additional information and clarifications. Please email updates so each CR can be kept as accurate as possible. There are some married names missing for some of the female listed and also there are some deceased members who are not properly identified. Your help is appreciated.

Near Completion

Class Rosters for the 1960-69 years are near completion. Thank you to those who have helped compile the listings. The high school class for 1965 contains only two students: Larry "Pete" Jude Riche' and Joseph Williams.

Please send any information you may have on that class so this era can be posted on the website. Other class listings for this era are near completion.

Next CR Challenge

If you attended EES during the 1970-88 years or if you know of someone who did, please email their name to me and identify the years. The decades of the 70s and 80s will be serious challenges, as started with blank slates and now have a few names.

[Names and email addresses](#) continue to come in each day. Please know that those of you who continue to provide these are appreciated. Pelicans from the class of 1939 to the 1988 class have emailed information to us.

Special thanks to [Debbie Riche' Molan](#) for designing the [Evergreen Address Book spread sheet](#). If anyone is willing to enter the information which has been compiled, please email me. You may address this task at your leisure and the correspondence can be handled by email. Thank you.

Subject: Pelican Pride...Growing Each Day

Dear Pelicans,

The feedback on the 1950s Class Rosters was excellent. Corrections, additions, etc., are now posted for that decade in the Education Link under Former Students.

As we move to complete the 1960s CRs, help is needed for the [1963 and 1965 High School graduating classes](#). The 1963 class finished EES in May 1959 and the 1965 High School class graduated from EES in May 1961. Patsy Roy Moras (Mrs. Ralph) is a member of this class. Her Memories letter is posted on the site.

Yes, CRs from the 1970s and 1980s are welcomed and a couple from each decade have been received. [Thanks, Kristin](#), for sending the 1988 EES Class Roster...the last 8th grade class to graduate from EES.

Billy Wright Hilleren sent Class Roster information today taken from her mother's grade book for the 1953 - 1958 years. These were Mrs. Barbara's first five years of teaching at EHS. [Thank you, Billy](#).

Those of you who have communicated with me seeking [news on John Smith](#)...go to the News page and there is a picture/story update. Thanks, John.

Also in the News is a picture of [Dub's granddaughter \(Olivia\)](#) at the ripe ole age...you will have to see for yourself.

In the News story of [Sandra and Dale having reasons to celebrate](#) note that he has started the Bunkie Tattler. Subject: Former Students 1950s Class Rosters Posted

Dear Pelicans,

The [1950-59 Class Rosters](#) (CR) have been posted on www.EvergreenLa.org. To view these please click on Education, Former Students, then the 1950-59 Class Rosters page.

Please know that all who contributed to the compilation of the CRs are appreciated. Your feedback on the CRs, especially for corrections, additions, adjustments, etc., is appreciated.

As we now focus on the 1960s and 1940s, your assistance is requested. While the CRs of the 1940s need some adjustments, the CRs of the 1960s needs serious help. Attempts have been made to designate the high school from which each person graduated.

No CRs currently exist for the following years:

1963 (high school class which completed EES in 1960);

1965 (high school class which completed EES in 1961 has only one student); and

1966 (high school class which completed EES in 1962).

[Please view the attached CRs](#) for the 1960-69 years and please email any information which will allow us to complete the CRs for each year. Former students who recall students in the missing grades are asked to email them to us. Former students whose classes were a year ahead or a year behind the missing CRs are asked focus on the missing years and provide information. Any information will be helpful because it allows us to search, contact, add information, etc. Thank you.

1960-69 Class Rosters

Former students providing information about their class and others have helped make these class rosters possible. Your assistance is needed to help insure an accurate and complete listing of each class. It is important to include the names of all former students who once were members of a class. Please email Ed@EvergreenLa.org with any corrections, additions, etc. Thank you for making these lists possible. Graduates are listed first because of existing documentation. Equally important are the list of all classmates.

Subject: Additional Postings on www.EvergreenLa.org

Dear Pelicans,

The puff of smoke you saw coming from Florida this week was Dale Descant's computer reacting from running in high gear for an extended period of time. He had it humming and the results show on www.EvergreenLa.org
The following links and pages have been recently added to www.EvergreenLa.org

[News Page](#) - Everette "Hayes" Barman Found

[Education Page](#) - [Introduction](#), [History](#) (two articles posted) and [Former Students](#) have some information posted.

[Responses continue to be received for the 1950-59 class rosters](#) emailed earlier this week. Not all information has been processed...so please email any information which you have to offer about the 1950s CR. The updated CRs of the 1950-59 will be posted on the website some time next week. Thank you for making this happen so quickly.

[Thank you to those Pelicans who sent their class rosters, even those outside of the 1950s.](#) Please know these are appreciated and are saved for processing. We hope to move to the 1960s next, as about five years of CRs have been received. Please send those at your earliest convenience if you attended EES in the 1960s. Duplication in the case is a good thing...so please send your recollections of all students who were a member of your class at EES.

[Photo Gallery](#) - Education Page (Misc.school pictures) more complete captions - like the 9th grade class of 1946-47.
Thanks to Ryan Rabalais for providing this information.

The [Donors Page](#) and [Sponsors Page](#) have been posted. Thanks to [Coral Francois](#) for his most generous donation to the Evergreen Reunion/Website. It is sincerely appreciated.

[Want to be part of a team effort](#) to document homes, families, churches, school classes, send news, etc? - please email me. Any assistant offered is welcomed and appreciated.

[Little Flower Church Fair](#) is Scheduled For September 13th and 14th. Details will soon be in the News Page.

Peace, Ed

Subject: Pelicans School Pictures Posted on www.EvergreenLa.org

Dear Pelicans,

Please click on <http://www.evergreenla.org/PhotoGallery/index.htm> then, click the page you wish to view. Some of the Education pictures were initially posted on the Evergreen Reunion website.

You are encouraged to review the caption for each of the Education pictures and provide feedback to us. Scrolling is necessary to view some captions. Your assistance could provide missing names, incorrect names, etc. The page will be organized at a later date for your viewing ease.

Please email Education, Community, and Church pictures (jpeg file) which you would like posted on the website to Ed@EvergreenLa.org Also, please provide a caption, including date of picture (as close as possible according to the sender's memory).

We will soon communicate with those who previously sent pictures. They have all been saved and as time allows, will be reviewed for posting on the website. Please email me if you have any questions about any pictures sent earlier. Thank you.

Since many of us have not communicated in quite some time, please send your news. Consider news as information you would like to share with Pelicans who would like to be informed about the major events in your life since leaving Evergreen. Your participation in the News Page is appreciated.

Please know that all Pages on the website are open for your participation. Please contact me if you wish to provide assistance to any aspect of the website. The harvest is great...more laborers (fun stuff) are needed so the wagon's movement may be noticeable. You know the important of more volunteers helping in the movement. If you can email, your involvement could help significantly...just email and inquire so the many possibilities may be realized. Example, a person to email obituaries from the Avoyelles area is needed. This responsibility would take just a few minutes each day, but are so important if we wish to post these on the News Page in a timely manner. You may inquire under no obligation. Thank you.

Peace, Ed Dugas

Subject: Pelican Good News! www.EvergreenLa.org is operational

Dear Pelicans,

Thanks to the efforts of many, especially Dale, Ryan, and Mike - www.EvergreenLa.org is declared operational. Exactly two months after the 2008 ER the website is up and running. Thanks to all of you who made this possible.

There are still pages left to design and much information to input, but we can live with the "work in progress sign" while enjoying what has been posted.

Please discontinue the use of www.EvergreenReunion.org as it will be discontinued. The Reunion information is in the process of being relocated to be a major page in www.EvergreenLa.org. The pictures will be in the photo gallery and the narrative information will be in the Reunion page. Be patient...all pictures previously posted are being relocated.

Communications among and between Pelicans has taken many different routes in the past...so at this time, all Pelicans are asked to share some news and update viewers. Please click on the News Page and see the particulars - and please take the time to participate. No news is not good news.

The Memorials and Memories Pages have been designed by Dale for easy access. Enjoy and remember.

Yes, the Education Page is under design and will include class rosters, faculty, staff, etc. Your assistance with this page will be needed if we are to put Humpty-Dumpty back together again. Watch for these, then respond as requested.

The Evergreen Address Book grows each day...so keep sending names and contact information. Thank you.
